Vendor and Exhibitor Rules and Regulations

DEMONSTRATIONS

As a matter of safety and courtesy to others, exhibitors should conduct sales presentations and product demonstrations in a manner which assures all exhibitor personnel and attendees are within the contracted exhibit space and not encroaching on the aisle or neighboring exhibits. It is the responsibility of each exhibitor to arrange displays, product presentation, audio visual presentations, and demonstration areas to ensure compliance.

Vendor and Exhibitor Rigs

- Fuel tank openings shall be locked or sealed in an approved manner to prevent escape of vapors; fuel tanks shall not contain in excess of one-quarter their capacity or contain in excess of 19L (five gal.) of fuel, whichever is less.

- **At least one battery cable shall be removed from the batteries used to start the vehicle engine,** and the disconnected battery cable shall then be taped.

Batteries used to power auxiliary equipment shall be permitted to be kept in service.

- Auxiliary batteries not connected to engine starting system may be left connected.

- **Once placed, display vehicles cannot be started or moved without the approval and direction of Show Management. Any violators of this rule will be subject to immediate removal from the show.**

- External chargers or batteries are recommended for demonstration purposes.
 - No battery charging is permitted inside the building.
 - Combustible/flammable materials must not be stored beneath display vehicles.
 - Rigs shall not be moved during exhibit hours.
 - No leaks underneath vehicles.
 - All work on Exhibitor Rigs displays must be completed 15 minutes before the show opens for business. You will be allowed to clean, dust and work on your vehicle one (1) hour before the show opens each day.
 - No obscene wording, drawings or photos will be allowed on Rigs, signs or on display in Exhibitor Rig space.
 - During set up and tear down, reckless or careless driving and unnecessary noise will not be allowed.
 - All parts of Exhibitor Rigs must stay in display area, i.e., rims and tires, hood, removable top, etc.
 - **No selling of merchandise of any kind.**
 - **If you need to sell merchandise you will need to pay for vendor space.**
 - All Exhibition Rigs will be entered for judging.
- Vendors that wish to have their Rigs judged must submit a separate application and pay Rig application fees.

Operation and Conduct

- Attendants, models, and other employees must confine their activities to the contracted exhibit space.
- Vendor / Exhibitor personnel and representatives may not enter the exhibit space or loiter in the area of another Vendor / Exhibitor without permission from that Vendor / Exhibitor, and at no time may anyone enter an exhibit space that is not staffed. Violators may be ejected from the Show.
- Vendor / Exhibitor may not harass or antagonize another party, remove anything from any Vendor / Exhibitor's booth, register or give a badge to anyone not qualified to be in the Show or photograph or video another Vendor / Exhibitor's booth or products.
- No pets allowed unless it is a service animal
- Absolutely no sub-contracting booth space is permitted.

SOUND/MUSIC

In general, Vendor / Exhibitors may use sound equipment in their booths as long as the noise level does not disrupt the activities of neighboring exhibitors. Speakers and other sound devices should be positioned so as to direct sound into the booth rather than into the aisle. Rule of thumb: Sound and noise should not exceed 85 decibels when measured from the aisle immediately in front of a booth. (Refer to OSHA at www.osha.gov for more information.) All music and entertainment must be in good taste and not include any lyrics that are inflammatory, sexually explicit, sexist, gangster rap or that promote activities of any type that defame or denigrate women, law enforcement or other established authorities. Dancing and modeling shall not include any lewd or sexually suggestive poses or actions. Dayton Off Road Expo Chairman shall be the final authority on the acceptability of music played by Exhibitors and the activities of booth models and entertainers. Violators are subject to immediate closure of their booth, removal of booth personnel and/or closure of the exhibit for the duration of the Show.

General

- Any commercial vendor or private individual will hold Dayton Off Road Expo harmless from loss of product due to theft, fire, flood or other natural disaster. Also hold harmless against injury or death during set up, show hours or break down after show hours.
